Dear Mr Swann

***Freedom of information request no. 201300024C***

I refer to your request for access to documents relating to *ANU investments in Fossil Fuels* under the *Freedom of Information Act 1982* (FOI Act). As your request covers documents which contain other individuals' personal information, the Australian National University (ANU) is required to consult with those individuals (under section 27A of the FOI Act) before making a decision on the release of those documents.

For this reason the period for processing your request has been extended by 30 days in order to allow our agency time to consult with those individuals (section 15(6) of the FOI Act). The processing period for your request will now end on 16<sup>th</sup> March 2013.

The consultation mechanism under section 27A applies when we believe the individual (or their representative) may wish to contend that the requested documents are exempt for reasons of personal privacy. We will take into account any comments we receive from the individual but the final decision about whether to grant you access to the documents you requested rests with the ANU.

Yours sincerely,

A handwritten signature in black ink that reads 'David Brumby'.
