Dear Posty

Freedom of Information Request – Publicly Available Information

I am writing in relation to your request, dated 21 January 2018 and received by the Department of Human Services (**department**) on the same day, for access under the *Freedom of Information Act 1982 (FOI Act)* to the following:

All documents contained within the file "Issuing and viewing receipt numbers 111-05040020" as listed on this page - I believe referred to as your "Operational Blueprint" portal:

<http://operational.humanservices.gov.au/public/Pages/specialist-manuals-and-system-tools/111-05040020-01.html>.

A review by the department has found the Operational Blueprint you have requested is suitable for publication on the department's Operational Information website.

The department is currently arranging for the Operational Blueprint to be made publicly available. As such, we invite you to withdraw your FOI request on the basis that the document you are seeking will soon be accessible to you via the department's website.

Further assistance

I will write to you again and advise once the document has been published.

If you have any questions please email FOI.LEGAL.TEAM@humanservices.gov.au

Yours sincerely

Jack
