10 November 2017

Dear Ms Julianne Quaine

**RE: Request for approval to change premiums charged under a complying health insurance product**

Please find enclosed, HBF Health Limited (HBF)'s submission to change premiums as part of the 2018 premium increase round, for your approval.

HBF is a not-for-profit private health insurer that focusses on maximising benefits for its members whilst keeping premiums as low as possible. As such, this proposed rate increase is the minimum required for HBF to achieve a positive operating result and is critical to ensuring the ongoing sustainability of HBF. We acknowledge the recent government reform and its intent to improve Private Health Insurance affordability and believe that our requested percentage increase of well below previous years is a positive step in this ongoing reform.

HBF requests permission for a premium increase of 3.90% (rate protected) on 1 April 2018. HBF strongly believes that this rate increase is necessary to meet the rising cost of claims and to restore HBF's net margin to a sustainable level. This submission takes into account savings resulting from the changes to Prostheses List pricing recently announced (representing an estimated \$17M saving to HBF in CY2018), as well as further savings HBF is anticipating from sustainable product changes and improvements in operational efficiency over the projection period

The premium increase is required by HBF to meet the increased cost of benefits and ensure HBF achieves a positive operating result<sup>1</sup>, summarised in the table below:

	FY17/18
Overall Rate Protected Increase	3.90%
Forecast Net Margin <sup>2</sup>	-0.2%
Forecast Operating Result	0.2%

<sup>1</sup> Operating Result – Margin inclusive of Health Related Business, but excluding investment income

<sup>2</sup> Net Margin – Health Insurance Business Margin, excluding Health Related Business and Investment Income

Our detailed justification for the change is outlined in the enclosed submission.

If you have any queries or if you require any further information, please contact Bobby Patel on (08) 9265 6128 or 0404 023 010.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'J van der Wielen', with a stylized flourish at the end.
