Dear Mr Tomlinson

**Freedom of Information Request - 13/13**

I refer to your email dated 19 January 2013 in which you sought access under the *Freedom of Information Act 1982* (FOI Act) to:

*...information under the FOI Act in relation to traffic infringements, 8 in total, evidently incurred by the driver(s) of the Prime Minister's private (government funded) car during 2012.*

*Please provide me the names of the driver(s).....*

I also refer to Finance's letter dated 18 February 2013, in which you were provided with a preliminary estimate of charges calculation for processing your request. The letter also indicated that within 30 days of the date of the letter you were required to notify Finance of your intentions to continue the processing of your request otherwise your request will be considered as being withdrawn.

In accordance with section 29(2) of the FOI Act, as Finance has not received a response from you within the timeframe indicated, your request is now treated as being withdrawn.

If you wish to seek access to the documents you will need to submit a new FOI request to Finance.

If you have any questions, please do not hesitate to contact the FOI team on the details indicated above.

Yours sincerely

A handwritten signature in blue ink, appearing to be 'AJ'.
