Dear Snehan,

### Freedom of Information Request ACIC 18-36

I refer to your request for access to documents under the *Freedom of Information Act 1982*. I have taken your request to be for:

- *Copies of all briefings, communications, forms, reports, documents or notes mentioning or regarding the not-for-profit media organization WikiLeaks or its Australian staff, including but not limited to Julian Assange.*

We received your request on Monday 28 May 2018 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us on or before **Wednesday 27 June 2018**. The period of 30 days may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

The ACIC, in processing FOI requests, excludes the following information on the basis that it is irrelevant to the requests:

- Names, signatures, and contact details of ACIC members of staff, other than Senior Executive Staff.
- Duplicate documents, including duplicate emails. The ACIC will only provide emails where they form a final email chain and the authors/recipients are contained within the final email.
- Information that is publicly available, for example, newspaper articles and online publications, including information available on the ACIC website.

If you object to the ACIC excluding any of the above information, please advise the FOI Coordinator within seven days of receipt of this letter.

Please note that information released under the FOI Act may later be published online on our disclosure log <http://www.acic.gov.au/foi/foi-disclosure-log>, subject to certain exceptions.

We will contact you using the email address you provided. Please advise if you would prefer us to use an alternative means of contact. If you have any questions, please contact the following officer:
