Dear Ms Pane

### Freedom of Information Request: FOI 25409

1. I have made a decision to create and **grant full access** to one document relevant to your freedom of information request.

### Authority to make this decision

2. I, Julie (Position Number 62212962), Legal Officer, Information Law Section, am an officer authorised by the Secretary of the Department of Veterans' Affairs (**Department**) to make decisions about access to documents in the possession of the Department in accordance with section 23(1) of the *Freedom of Information Act 1982* (**FOI Act**).

### Summary

3. On 7 November 2018, you made a request, under the FOI Act, for access to documents in the Department's possession. Your request was made in the following terms:

*Given the public interest around the excessive legal services expenditure of the Department, under s 17 of the FOI Act I request the following one page compilation.*

*For every DVA employee who holds a current legal practising certificate issued by any designated regulatory authority in Australia, provide the following:*

*Position Number.....Position Title.....Salary Band (in \$)\**

*\*Salary Band does not refer to their specific annual salary, but the current salary band their current increment sits within, as specified in your workplace agreement.*

*I note DVA is already undertaken to give not dissimilar information to Senate Estimates, having taken a question on notice about this, therefore charging again for the same work would be in bad faith (only difference is reporting the salary band which is minimal work).*

4. As no extensions of time have been applied to process your request, a decision on your request is due by 7 December 2018.
5. I have decided not to impose a charge in relation to this request, in accordance with regulation 3(1) of the *Freedom of Information (Charges) Regulations 1982*.
6. The Department has undertaken a reasonable search of its records and has identified information relevant to your request. One document has been created, in accordance with section 17 of the FOI Act, relevant to your request. A description of this document is listed at **Schedule 1**.

## **Decision**

7. I have made a decision to create and grant full access to the document.

## **Access to documents**

8. The document released to you in accordance with the FOI Act is enclosed.

## **Information Publication Scheme**

9. The Information Publication Scheme requires the Department to publish information released in response to individual requests made under the FOI Act, except in specified circumstances. I am of the view that details of your request should be made available on the Department's disclosure log. As such details of your request will be published by the Department on its disclosure log, which can be accessed at <http://www.dva.gov.au/about-dva/freedom-information/foi-disclosure-log>

## **Your rights of review**

10. If you are dissatisfied with my decision, you may apply for internal review or request the Office of the Australian Information Commissioner (**OAIC**) review my decision. We encourage you to seek internal review as a first step as it may provide a more rapid resolution of your concerns.

## **Internal review**

The internal review application must be made within 30 days of the date of this letter. Where possible please attach reasons why you believe review of the decision is necessary. ## Schedule of relevant provisions in the FOI Act

---

### 3 Objects—general

- (1) The objects of this Act are to give the Australian community access to information held by the Government of the Commonwealth or the Government of Norfolk Island, by:
  - (a) requiring agencies to publish the information; and
  - (b) providing for a right of access to documents.
- (2) The Parliament intends, by these objects, to promote Australia's representative democracy by contributing towards the following:
  - (a) increasing public participation in Government processes, with a view to promoting better informed decision-making;
  - (b) increasing scrutiny, discussion, comment and review of the Government's activities.
- (3) The Parliament also intends, by these objects, to increase recognition that information held by the Government is to be managed for public purposes, and is a national resource.
- (4) The Parliament also intends that functions and powers given by this Act are to be performed and exercised, as far as possible, to facilitate and promote public access to information, promptly and at the lowest reasonable cost.

### 11 Right of access

- (1) Subject to this Act, every person has a legally enforceable right to obtain access in accordance with this Act to:
  - (a) a document of an agency, other than an exempt document; or
  - (b) an official document of a Minister, other than an exempt document.
- (2) Subject to this Act, a person's right of access is not affected by:
  - (a) any reasons the person gives for seeking access; or
  - (b) the agency's or Minister's belief as to what are his or her reasons for seeking access.

### 11A Access to documents on request

#### *Scope*

- (1) This section applies if:
  - (a) a request is made by a person, in accordance with subsection 15(2), to an agency or Minister for access to:
    - (i) a document of the agency; or
    - (ii) an official document of the Minister; and
  - (b) any charge that, under the regulations, is required to be paid before access is given has been paid.
- (2) This section applies subject to this Act.  
Note: Other provisions of this Act are relevant to decisions about access to documents, for example the following:
  - (a) section 12 (documents otherwise available);
  - (b) section 13 (documents in national institutions);
  - (c) section 15A (personnel records);
  - (d) section 22 (access to edited copies with exempt or irrelevant matter deleted).

*Mandatory access—general rule*

- (3) The agency or Minister must give the person access to the document in accordance with this Act, subject to this section.

*Exemptions and conditional exemptions*

- (4) The agency or Minister is not required by this Act to give the person access to the document at a particular time if, at that time, the document is an exempt document.

Note: Access may be given to an exempt document apart from under this Act, whether or not in response to a request (see section 3A (objects—information or documents otherwise accessible)).

- (5) The agency or Minister must give the person access to the document if it is conditionally exempt at a particular time unless (in the circumstances) access to the document at that time would, on balance, be contrary to the public interest.

Note 1: Division 3 of Part IV provides for when a document is conditionally exempt.

Note 2: A conditionally exempt document is an exempt document if access to the document would, on balance, be contrary to the public interest (see section 31B (exempt documents for the purposes of Part IV)).

Note 3: Section 11B deals with when it is contrary to the public interest to give a person access to the document.

- (6) Despite subsection (5), the agency or Minister is not required to give access to the document at a particular time if, at that time, the document is both:
- (a) a conditionally exempt document; and
  - (b) an exempt document:
    - (i) under Division 2 of Part IV (exemptions); or
    - (ii) within the meaning of paragraph (b) or (c) of the definition of exempt document in subsection 4(1).

**17 Requests involving use of computers etc**

- (1) Where:
- (a) a request (including a request in relation to which a practical refusal reason exists) is made in accordance with the requirements of subsection 15(2) to an agency;
  - (b) It appears from the request that the desire of the applicant is for information that is not available in discrete form in written documents of the agency; and
  - (ba) it does not appear from the request that the applicant wishes to be provided with a computer tape or computer disk on which the information is recorded; and
  - (c) the agency could produce a written document containing the information in discrete form by:
    - (i) the use of a computer or other equipment that is ordinarily available to the agency for retrieving or collating stored information; or
    - (ii) the making of a transcript from a sound recording held in the agency;

the agency shall deal with the request as if it were a request for access to a written document so produced and containing that information and, for that purpose, this Act applies as if the agency had such a document in its possession.

- (2) An agency is not required to comply with subsection (1) if compliance would substantially and unreasonably divert the resources of the agency from its other operations.
