Dear Mr Fairless,

Acknowledgement of your Freedom of Information (FOI) Request

I refer to your request for access to documents under the *Freedom of Information Act 1982 (FOI Act)*, made in the following terms:

“Under section 23 of the Freedom of Information Act, the principal officer or minister can make arrangements to give their decision making powers to others.

I'm hoping you can provide me with a copy of the current arrangements if possible. If it helps, I'm happy for you to process this request under "administrative release" (<https://www.oaic.gov.au/freedom-of-information/foi-guidelines/part-3-processing-requests-for-access#access-to-government-information-administrative-release>). This would reduce the cost and time required to make a formal decision.

That said, I understand sometimes you want the request to be formal. If you won't process it informally, please process my request for the document as a formal FOI Request.

Please note - While I volunteer for Right to Know, this request is made in a personal capacity and not on behalf of Right to Know.”

Processing time

Your request was received by the Minister's Office on 14 November 2018 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 14 December 2018. The processing period of 30 days may be extended if the Minister's Office needs to consult third parties or for other reasons. You will be advised if this happens.

Charges

The Minister's Office will advise you if a charge is payable to process your request and the amount of any such charge as soon as practicable. No charge is payable for providing a person with their own personal information.

Your address

The FOI Act requires that you provide us with an address which we can send notices to. You have advised your electronic address is foi+request-5084-171e6ab0@righttoknow.org.au. We

will send all notices and correspondence to this address. Please advise us as soon as possible if you wish correspondence to be sent to another address or if your address changes. If you do not advise us of changes to your address, correspondence and notices will continue to be sent to the address specified above.

Administrative release of documents

The Minister's Office has administrative access arrangements (**arrangements**) for the release of certain documents without the need for a formal FOI request. Unless you advise us otherwise, in processing your request we may provide you with documents under these arrangements where appropriate. The arrangements do not extend to information or materials of third parties. You will be notified when documents are released to you under the arrangements.

Disclosure Log

Please note that information released under FOI Act may be published in a disclosure log on the website of the Minister for Human Services. Section 11C of the FOI Act requires this publication, however it is subject to certain exceptions, including where publication of personal, business, professional or commercial information would be unreasonable.

Exclusion of junior staff details

The Minister's Office is working toward ensuring that all staff have a choice about whether they provide their full name, personal logon identifiers and direct contact details in response to public enquiries. Where such details are included in the scope of a request, this may add to processing time and applicable charges as it may be necessary to consider whether the details are exempt under the FOI Act. On this basis, unless you tell us otherwise, we will assume that these details are out of scope of your request and they will be redacted under section 22 of the FOI Act.

Further assistance

If you have any questions please email FOIMinister@humanservices.gov.au.

Yours sincerely

Adrian Barrett
Chief of Staff
