Subject: Meet Dave Sharma - Liberal Candidate for Wentworth

Dear Philip

On October 20, there will be a by-election for the Federal seat of Wentworth and we need your help.

With the resignation of Malcolm Turnbull from parliament after proudly serving the people of Wentworth, the Party on Thursday night selected Dave Sharma as our candidate to contest the by-election.

Introducing our candidate for the Wentworth by-election.

Dave was born in Canada to a dad of Indian heritage and an Australian mum. His family migrated to Sydney when he was just 3 years old. He's now moved back, to give his kids the same great Sydney childhood that he himself enjoyed.

After topping the NSW HSC, Dave earned his honours in law from Cambridge, going on to become Australia's youngest ambassador. After years of dedicated service to the Australian public, he is now seeking to represent the Wentworth community.

This by-election will be a tough battle to hold Wentworth and keep Australia out of Labor's hands.

If we do not retain the seat of Wentworth we could be forced into an early election. We all know that Bill Shorten wants to hit families in the hip pocket with \$200 billion worth of taxes leaving them worse off on electricity, small businesses, workers, housing, savings, investments and retirement. He doesn't have a plan to manage the economy and can't be trusted.

Philip, how you can help.

Over the next 5 weeks, we all need to get behind Dave and provide whatever support we can. There are a range of ways you will be able to play your part.

If you are available to assist our campaign over the next five weeks, please **click the button below and complete the online form**. A member of the campaign team will be in touch with you.

VOLUNTEER

If you have friends or family that are interested in volunteering then please forward them this link <https://nsw.liberal.org.au/Volunteer/Wentworth> to register their interest.

If you are unable to volunteer but would like to keep Australia safe from Labour's lies,

mismanagement and manipulations, then please make a donation.

100% of your donation will go directly towards the Wentworth by-election to help us keep Wentworth and Australia in safe hands. It will be vital that we have enough funds to run the strongest possible campaign.

If you can, [please click here](#) to donate and help us ensure that Australia does not fall into Bill Shorten's hands.

Thank you for your support.
