Dear Mr Presnell

Freedom of Information Request

1. Thank you for your Freedom of Information Act request of 21 February 2014 seeking access to the following documents:

"copies of all correspondence/notes/briefs etc with the Commonwealth Government, Queensland Government, Sunshine Coast Regional Council, Biosecurity Queensland and Mark Steele regarding Gloricide".

2. The scope of this request is quite broad as it is not limited by any date range and refers to all commonwealth government agencies including some QLD government agencies. I note that the scope in its current form is similar to your previous FOI request on Gloricide in November 2012 (see also our response to you dated 21 December 2012).
3. The scope in its current form would potentially substantially and unreasonably divert the resources of the agency from its operations. Given the above broad scope your request would also result in significant charges for you.
4. I therefore invite you to refine the scope of the request. Could you please advise us by Monday 3 March 2014 how you wish to proceed. If you need further time to consider please advise.
5. If you have any questions, please contact the APVMA FOI Team at: foi@apvma.gov.au.

Yours sincerely
