Dear Mr Stockburger

## **Penguin Composites Pty Ltd - Financial Health of Company**

I refer to your email dated 4 March 2019 with the below request:

- Due to a major purchase of a Camper from Penguin Composites Pty Ltd, I'm seeking Information/confirmation the company is not in liquidation or otherwise in financial difficulty.

Based on enquiries conducted within Treasury, I can advise that no information of the nature and description that you seek is held by the Department. A search of the records available online at Australian Securities and Investment Commission (ASIC) may provide the information that you seek. A search of ASIC registers can be undertaken here: <https://asic.gov.au/online-services/search-asics-registers/>.

Please note for future right to information applications that your request does not meet the requirements for a valid application under the *Right to Information Act 2009*. For this reason, I have considered your email as a general enquiry rather than an application under the RTI Act.

In order to accept and process a request as a valid RTI request, the RTI Act requires the following:

- the application must be in writing;
- the applicant must pay a non-refundable application fee of \$39.50, or make an application to have this fee waived; and
- the application must contain the minimum information as prescribed in regulations.

Further information on how to make an application under the RTI Act (including an application form that meets the minimum information requirements) can be found on our website here: <https://www.treasury.tas.gov.au/about-us/corporate-governance/right-to-information>.

If you have any questions in relation to the above, please do not hesitate to email [rti@treasury.tas.gov.au](mailto:rti@treasury.tas.gov.au).

Yours sincerely

for

Tony Ferrall  
Secretary
