| These figures only include professional fees paid as reported to the Office of Legal Services Coordination. Specifically, it excludes amounts paid to counsel and disbursements. | | | |
| The Department has always reported the amount in professional fees that we paid as costs to AAT applicants, but this was not split by firms in previous financial years. The expenditure are for <u>all</u> external legal expenditure incurred by DVA and includes non AAT costs. | | | |

| Total number of new AAT matters allocated for each financial year | | | |
|--|----------------|----------------|----------------|
| Firm | 2016-17 | 2017-18 | 2018-19 |
| Australian Government Solicitor | 123 | 89 | 69 |
| Moray & Agnew Lawyers | 123 | 93 | 57 |
| Sparke Helmore Lawyers | 169 | 113 | 69 |

Note:
It is noted that this table only includes new AAT matters received that have been allocated to an external panel firm during the relevant financial year. It does not include new AAT matters that have been allocated to DVA internal advocates for handling. Due to the nature of AAT proceedings, an individual matter may run across multiple financial years, as such an external panel may have carriage of a number of matters from proceeding financial years at any one time.
