Please note IIGSS – Data Division can only reports on assisted/managed departures (Returns from the Australian Community & Removal from onshore detention) from 2010-11 onwards. Due the implementation of new departmental systems between 2007 and 2009, and a period of transition in which the Department’s recording of removal events occurred across multiple systems data from 2007 to 2009 is unreliable and not fit for reporting externally.
