Dear JS

Your request for access to a disclosure log document

I refer to your request of 27 March 2014 for a copy of a letter by an ASIC officer dated 2 July 2010 (ASIC file ref: CCU-10/0195), which is noted on the Office of the Australian Information Commissioner's disclosure log.

The letter you have requested access to is a document which has been disclosed in relation to an FOI access request.

The document can now be accessed on the OAIC's website at 'Our FOI Disclosure Log'. I attach a [link](#) here for your reference.

Yours sincerely

[Signed]
