File Number: OBJ2019/56434

Dear Mr Smith

Freedom of Information (FOI) request - Access Decision

On 25 October 2019, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

- a) *Documents detailing the Department's process for the development, refinement, consideration and selection of option for the current Vision Statement; and*
- b) *Documents detailing the decision making to adopt the final version of the Vision Statement, namely "A secure Australia that is prosperous, open and united", including meeting agendas, meeting minutes and emails.*

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)

4 Documents in scope of request

The Department has identified eight documents as falling within the scope of your request. These documents were in the possession of the Department on 25 October 2019 when your request was received.

Attachment A is a schedule which describes the relevant documents and sets out my decision in relation to each of them.

5 Decision

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is to release eight documents in full with deletions of irrelevant information.

6 Reasons for Decision

Detailed reasons for my decision are set out below.

Where the schedule of documents indicates an exemption claim has been applied to a document or part of document, my findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

6.1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

On 29 October 2019, the Department advised you that its policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request.

I have therefore decided that parts of documents marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request, and have therefore prepared an edited copy of the documents, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the documents have been released to you as they are relevant to your request.
