Hi s22(1)(a)(ii)

Thank you very much.

The extension option is mentioned on p2 of the contract – is there something else that should have been included?

My apologies re the s47G – I haven't seen a contract in years and haven't seen a CCS contract in particular (how quickly we move on, hey), so didn't know this estimate was part of it otherwise I would have included it in the HVSP.

Thank you for your advice – I will arrange a Part C asap.

Kind regards,

Hi s22(1)(a)(ii)

I've registered this although only for s47G as that is the amount in the approval. I note that there is an extra s47G as well as the full amount of s47G is in the contract this does not align with the HVSP. Can I suggest a Part C is completed and signed off for the extra s47G (which was the amount flagged or the extension options) and the s47G and once approved we can update the registered amount to match the amount agreed to in the contract.

I also note that there are no extension options in the contract, so if you require a time extension in January you will need to put through a variation for the time only as I assume the s47G plus s47G will cover the extra time if needed.

The contract number is 5700012636, as soon as we have the full amount approved and updated on the system we can get a PO raised against it.

Good afternoon,

Mr John Lawler is a former DC who has been brought on-board as a consultant to the Commissioner.

Because Mr Lawler's old profile was resurrected, his title is currently showing as 'Deputy Commissioner' in the Outlook address book. Can this please be amended asap to 'Consultant'.

Please let me know if you require any further information.

Thank you very much.

Dear MPRS,

Mr Lawler is now active in the SAP system and should be able to access his AFP emails once he activates his laptop (ICT Exec Support Services will assist him with this).

For your information:

- To best reflect Mr Lawler's reporting lines during his consultancy, he has been placed within the Office of COS on the establishment report. Mr Lawler will therefore appear on your reporting from next month; and
- Mr Lawler's profile in Outlook currently has him listed in the address book as 'Deputy Commissioner', because his old profile has been resurrected. I have asked Network Services to amend this to 'Consultant' as soon as possible.
