Hi s22(1)(a)(ii)

The Commissioner is engaging former DC John Lawler as a consultant from this week until 21 January (with the possibility of extension to 21 March).

When you are free, can we please have a chat about how we can best progress a clearance for Mr Lawler?

Mr Lawler will be provided with an AFP laptop today (he lives interstate but is in Canberra today) – is there any way Mr Lawler can be provided with some sort of provisional clearance to enable him to use a token and access the system?
