FOI Request: FA 19/12/00430

File Number: OBJ2019/61396

Dear JS

Freedom of Information (FOI) request - Access Decision

On 3 December 2019, the Department of Home Affairs (the Department) received a request for access to document under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following document:

Under FOI I seek access to a document that sets out the following information for each entry in the Disclosure log from 1 Jan 2018 to date of this request for access:

(a) Date document(s) provided to FOI Applicant

(b) Reference No

(c) Title

(d) Date information about each release was published in the disclosure log as required by law.

In relation to parts (a), (b), and (c) of your request, this information can be located on the disclosure logs that are published to the Department's website.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access document or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request

- the document relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the document to which you sought access

4 Document in scope of request

The Department has identified 53 documents as falling within the scope of your request. These documents were in the possession of the Department on 3 December 2019 when your request was received.

5 Decision

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is to release relevant information in 53 documents in full.

5.1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

On 9 December 2019, the Department advised you that its policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request.

Parts of the documents contain information which consists of footers which have automatically been added to those documents when they were printed from the Department's system. That information provides an online address for the Department's computer systems and does not form part of your file and records held by the Department about you. I consider this information to be irrelevant to your FOI request.

I have decided that parts of document marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request. I have prepared an edited copy of the document, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the document has been released to you as it is relevant to your request.
