Data notes:
 1. This information is provided by the Department of Home Affairs and was extracted from departmental systems on the dates outlined above. As data has been drawn from a dynamic system environment, the information is correct at the time of publication and figures may differ slightly from previous or future reporting.
 2. The offshore component reports on an applicant's country of birth and the country of birth of the principal applicant is applied to secondary visa applicants. The onshore component reports on an applicant's citizenship.
 3. The Top Ten Nationalities table is based on the top ten countries of birth from the offshore component of the program.
