### ADMINISTRATIVE RELEASE

**Program Area:** Skilled and Business Migration Program

**Requested Data:** For the period 1 January 2019-17 December 2019:

- number of invitations issued by Victoria for skilled migration under the subclass 190 visa 263111;
- the points; and
- years of experience.

**Period: 1 January 2019 – 17 December 2019**

<b>Period</b>	1 January 2019 – 17 December 2019
<b>Occupation</b>	Computer Network and Systems Engineer (ANZSCO: 263111)
<b>Invitations issued by the Victorian Government</b>	34
<b>Highest point cut off*</b>	100
<b>Average experience (years)</b>	6

\*Please note that points cut offs are subject to change, and the information provided in this table should not be relied upon in deciding whether or not to lodge a Victorian visa nomination application.

**IMPORTANT:** Every application for Victorian visa nomination is assessed individually with a focus on the applicant's ability to address a number of assessment criteria, including:

- ability to meet the minimum eligibility criteria
- demand for the particular skills and expertise and ability to find work in Victoria
- suitability and transferability of the qualifications, skills and experience – including any specialist capabilities – to the needs of Victoria's labour market, and
- ability and commitment of the applicant to establishing themselves, and any dependents, in Victoria with a view to long-term settlement in Victoria.
