Dear Andrew

Access application processing suspended

I am writing to you regarding the access application you made under *the Freedom of Information Act 2016* (FOI Act) dated 16 January 2020.

S 34(4)

This notice is to advise you that processing of this application has been suspended under section 34(4) of the FOI Act.

This is because I sent you a clarification request on 19 February 2020, but I have not received a response from you regarding this matter. This is despite sending a follow up email on 24 February 2020 and a separate attempt to contact you on 18 March 2020, for which I also have not received a response.

Processing of this application will continue if contact is re-established before 19 June 2020.

If your application remains suspended for a period of three months or longer, The ACT Electoral Commission will close this matter and cease to deal with this application further.

It is open to you to submit a new access application at any time.

If you would like more information about how to access government information in the ACT, you can find further advice on the website of the ACT Ombudsman at:

If you have any questions in relation to your access application or the above, please contact me on 02 6205 0224 or rohan.spence@act.gov.au

Yours sincerely

Ro Spence
