Hi s 47F

I hope this email finds you well on a Monday and that you enjoyed a fantastic weekend.

Please see attached a benefits feature for employees, highlighting a number of travel benefits available in the lead up to Christmastime. I have also added some suggested text below that can be utilised in employee publications.

*Take a break!*

*In the lead up to the festive season and what normally can be an expensive time of year, FWBC employees and their families continue to take advantage of the huge savings on their groceries, entertainment and gifts through our Employee Benefits Program. The successful relationship with our provider API Leisure & Lifestyle also allows us to enjoy some fantastic holiday specials and to encourage everyone to take a break this year.*

*So if you haven't booked your end of year holiday it's not too late, you can still save up to 70% on your travel bookings. Your Benefits program provides FWBC employees with exclusive specials and priority bookings with a best price guarantee. Make sure you visit the FWBC Benefits website [www.apilifestyle.com.au](http://www.apilifestyle.com.au) and click on the HotelClub link to take advantage of the great API rates this Christmas and holiday season. HotelClub offers an extensive range of properties including luxury resorts, serviced apartments, budget motels and global hotel chains.*

*Hot tip: Check the API homepage every Tuesday for the newest Travel Tuesday offer or if you have Twitter, simply follow @APILifestyle to have the offers delivered to you.*

Hardcopies will be out to you shortly. Also, thank you in advance for circulating this feature your other offices for display and ensuring that the benefits program is highly visible in all FWBC workplaces.

Kind regards
