Hi s 47F

Please see attached the latest benefits feature for employees. I absolutely love this benefits feature, with all of the cold weather we have been having it has got me dreaming of some time in the sun!

I have attached a PDF and jpeg version for further promotion on your intranet or internal newsletters. Hardcopies will be through to you in the mail shortly.

Thanks as always for your support with the program and ensuring that it is highly visible in the workplace.

Kind regards

s 47F
