Hi s 47F ,

Hope you had a nice weekend.

It's footy tipping season again and registrations are now open! There is a massive prize pool and of course it is free to enter and play!

Attached is the poster that we would love for you to display at all sites and/or common areas and if you can include it on your intranet or any internal comms as well, that would be great.

If you have any questions, please give me a call!

Happy tipping!
