Hi

s47E(d)

Have you tried taking a selfie with Clearview yet? See what comes up! It's the best way to quickly see the power of Clearview in real time. Try your friends or family. Or a celebrity like Joe Montana or George Clooney.

Your Clearview account has **unlimited** searches. So feel free to run wild with your searches. Test Clearview to the limit and see what it can do. The photos you search with Clearview are **always** private and **never** stored in our proprietary database, which is totally separate from the photos you search.

You can get Clearview on your iPhone or Android cell phone by clicking "Get Mobile App" on the left-hand side of the screen when you're logged in to Clearview on desktop.

To log in to Clearview on desktop just click the button below:

You can also upload a photo of yourself to Clearview on your desktop computer.

Feel free to reach out to if you have any questions, comments, or feedback. Just reply to this e-mail or contact [help@clearview.ai](mailto:help@clearview.ai)

Best regards,

—Team Clearview

Good evening. You should have an email from Team Clearview with your account activation link. I encourage you to test the tech on computer/laptop (log in thru <https://app.clearview.ai/app/login>) and the mobile app. Also attached is general info and sample success stories and a doc with some tips on how to best use photos. If you would find a video demo call helpful just let me know. Finally – if there are any other officers/agents that would like an account just send me names and emails.

Please do not hesitate to contact me with any questions.

Hi s47E(d)

You should have a setup email in your inbox shortly. It only takes one minute to install and start searching.

Here are three important tips for using Clearview:

1. **Search a lot.** Your Clearview account has **unlimited** searches. Don't stop at one search. See if you can reach 100 searches. It's a numbers game. Our database is always expanding and you never know when a photo will turn up a lead. Take a selfie with Clearview or search a celebrity to see how powerful the technology can be.
2. **Refer your colleagues.** The more people that search, the more successes. We want to make this advanced technology available to as many investigators as possible. If you think your colleagues might want to try Clearview out for themselves, just send their names and e-mail addresses to help@clearview.ai and we'll sign them all up too.
3. **Get Clearview for the long haul.** If you like Clearview at the end of your trial period and it's helping you solve cases, put us in touch with the appropriate person at your organization who can proceed with procurement.

Feel free to reach out to if you have any questions, comments, or feedback. Just reply to this e-mail or contact help@clearview.ai

Finally, please note the disclaimer at the bottom.

Best regards,

— Team Clearview
