Dear Mr Smith

Your Freedom of Information request – Charges

I refer to your revised request, received by the Department of Agriculture, Water and the Environment (**department**) on 28 May 2020 for access under the *Freedom of Information Act 1982 (FOI Act)* to the following documents:

'a copy of all emails in which this transaction [the Eastern Australia Agriculture's 2017 sale of water rights to the department] has been discussed by SES-level staff within the department (including deleted or archived emails). Please exclude emails that were not sent or recieved [sic] by an SES level public servant from the FOI request. To make this part of the FOI request feasible, please restrict this request to only encompass emails that contain either 'Eastern Australian Irrigation' or the acronym 'EAI' as an exact term within the email. (This should make it possible to do a simple electronic search for emails within the department's database).'

Preliminary assessment of the Charge

In accordance with section 29 of the FOI Act, I have decided that you are liable to pay a charge for the processing of your request. My preliminary assessment of that charge is \$100.83 calculated as follows:

Search and retrieval time: 1/2 hour, at \$15.00 per hour	\$7.50
Consultation with 3 third parties, 2 hours per party, at \$20 per hour	\$120.00
Decision-making time: 3.67 hours, at \$20.00 per hour	\$73.33
Reduction of 5 hours*	-\$100.00

TOTAL

\$ 100.83

*The FOI Act provides that the first five hours of decision-making time are free of charge and this is reflected in the calculation.

I am advised that the department has in its possession 3 documents with 8 pages relevant to your request.

Required action

If you would like the department to continue processing your request, you must notify the department in writing within 30 days of receiving this notice that you:

- agree to pay the charge;
- wish to contend that the charge has been wrongly assessed or should be reduced or not imposed or both; or
- withdraw your request.

If you do not provide a written response in accordance with one of the above options within 30 days of receiving this notification, your request will be taken to have been withdrawn under section 29(2) of the FOI Act.

Alternatively, you may wish to revise the scope of your request. If you would like to discuss this, please contact me for assistance.

Option – pay the charge

As the charge exceeds \$25, you are required to pay a deposit of \$25.21 within 30 days of receiving this notice. You may, of course, elect to pay the charge in full at this point.

Payment can be made by:

- credit card by completing the attached form and sending a scanned copy to foi@agriculture.gov.au or posting it to the address below
- cheque or money order made payable to 'Department of Agriculture, Water and the Environment', and forwarded to the following address:

- direct deposit to:

If payment is made by direct deposit, please include the FOI reference number (LEX-4161) in the subject field, and send an email with notification of payment to foi@agriculture.gov.au as soon it has been made.

Option – seek reduction or non-imposition of the charge

You may contend that the charge has been wrongly assessed, or should be reduced or not imposed. Section 29(5) of the FOI Act provides that, in deciding whether to reduce or not to impose a charge, the decision-maker must take into account any relevant reasons, including

whether payment of the charge, or part of it, would cause your organisation financial hardship, and whether the giving of access to the documents is in the general public interest or in the interest of a substantial section of the public.

If you wish to contend that the charge has been wrongly assessed or should be reduced or not imposed, please set out your reasons and the evidence in support of your reasons as clearly as possible. If you believe that payment of the charge would cause your organisation financial hardship, please provide sufficient details of your financial circumstances to enable the decision-maker to make a well-informed decision in this regard.

Option – withdraw your request

If you wish to withdraw your request you may do so in writing.

Time limits for processing your request

Section 31 of the FOI Act provides that where a notice is sent to an applicant regarding the payment of a charge in respect of a request, the time limit for processing the request is suspended from the date the notice is received until either:

- (a) the day following payment of the charge (in full or the required deposit); or
- (b) if applicable, the day following the notification to the applicant of a decision not to impose the charge.
