Dear Dan

Freedom of Information Act 1982 – Notice of charges

I refer to your correspondence received by the Department of Industry, Science, Energy and Resources (the department) on 14 May 2020, in which you sought access under the *Freedom of Information Act 1982* (the FOI Act) for documents held by the Australian Renewable Energy Agency:

An electronic copy of the grant application from Oceanlinx to ARENA for the "GreenWave" project, funded in 2012 via the Emerging Renewables Program.

Notice of Liability to Pay a Charge

I am an authorised decision maker under section 23 of the FOI Act.

In accordance with section 29 of the FOI Act, I have decided that you are liable to pay a charge in respect of the processing of your request, being \$92.88.

Estimate of charge

My preliminary assessment of that charge is based on approximately two documents (consisting of 109 pages) falling within the scope of your request. I have also taken into account the fact that the first five hours of decision making time are free to all applicants requesting documents other than their own personal information.

Search and Retrieval – 3.00 hours at \$15 per hour	\$	45.00
Decision making time – 7.39 hours at \$20 per hour	\$	147.88
Total	\$	198.88
First 5 hours free	\$	-100.00
Final amount	\$	98.88
Deposit	\$	20.00

Payment of the deposit will only entitle you to a decision. The document will be released upon payment of the balance of the charge.

Processing your FOI request

Please note that the department will not make a decision on the potential release of any documents until charges are paid to, or remitted by, this department, whether in the form of a deposit or payment in full. In accordance with section 31 of the FOI Act, the time limit for processing your request is

suspended from the day you receive this notice and will resume on either the day the charge or deposit is paid, or on the day on which the department makes a decision not to impose a charge.

Your rights and alternatives

You may contend that the charge has been wrongfully assessed, should be reduced or not imposed. In deciding whether to reduce or not impose a charge the decision maker must, among other things, take into account whether payment of the charge, or part of it, would cause you financial hardship and whether the giving of access to the documents is in the general public interest.

If you would like the department to continue processing your request, you must notify the department in writing within 30 days of receiving this notice that you:

- A. agree to pay the charge;
- B. wish to contend that the charge:
 - (i) has been wrongly assessed; or
 - (ii) should be reduced or not imposed; or
 - (iii) both
- C. withdraw the request for access.

Further information on options A, B and C is set out below.

Option A – pay the charge

As the charge exceeds \$20 but is less than \$100, you are required to pay a deposit of \$20.00, within 30 days of receiving this notice. You may, of course, elect to pay the charge in full at this point.

Payment

If you accept liability for the estimated charge for your request, payment can be made via one of the following three options:

Please include reference to FOI 66120 in all forms of payment, and notify the FOI team at FOI@industry.gov.au once payment has been made. Failure to include your reference number and notify the FOI team of payment will result in delays of the processing of your FOI request.

Option B – seek reduction or non-imposition of the charge

You may contend that the charge has been wrongly assessed, or should be reduced or not imposed. Subsection 29(5) of the FOI Act provides that in deciding whether to reduce or not to impose a charge, the decision maker must take into account any relevant reasons. This includes whether payment of the charge, or part of it, would cause you financial hardship, and whether the giving of access to the documents is in the general public interest or in the interest of a substantial section of the public.

If you wish to contend that the charge has been wrongly assessed or should be reduced or not imposed, please set out your reasons and the evidence in support of your reasons as clearly as possible. If you believe that payment of the charge would cause you financial hardship, please provide sufficient details of your financial circumstances to enable the decision maker to make a well informed decision in this regard.

Option C – withdraw your request

If you wish to withdraw your request you may do so in writing.

If you fail to notify the department in a manner mentioned above within 30 days of receipt of this notice it will be taken that the request has been withdrawn.

Should you have any queries in relation to this matter please contact the FOI team by e-mail at FOI@industry.gov.au.

Yours sincerely
