*I would like to know under FOI the identities of the members of the selection panel, for the tender awarded to the architects of the New Student Precinct project; mentioned here:*

*<https://www.alumni.unimelb.edu.au/architects-named-new-student-precinct>*

*Additionally, I am requesting the approximate dollar amount spent by the the university on this project, as at the date of this email. (The article mentioned a \$229M figure, and I would like to know how much of that budget has yet been spent.)*

In accordance with the FOI Act, the University has undertaken a thorough and diligent search for the documents you have requested within Estate Planning and Development.

In relation to Part 1 of your request, Estate Planning and Development have identified one relevant document.

In relation to Part 2, as no document existed in discrete form relevant to this part of the request, the University was able to create a document containing the information you are seeking as required under section 19 of the FOI Act.

**DECISION**

The documents were reviewed to assess if all or part of the document contained exempt material. I have decided to release both documents in full.

**ACCESS CHARGES**

Please note that access charges totalling \$76.40 have been waived in relation to this request. Please find the documents enclosed.
