Dear Mr Sweeney

**Freedom of Information Request No. FOI 173-2020**

**Acknowledgement of Request**

I refer to your request received by ASIC on 30 August 2020 under the *Freedom of Information Act 1982 (FOI Act)* in which you have sought information from the Australian Securities and Investments Commission (**ASIC**).

Your email seeks access to the following:

*'The Superannuation Legislation Amendment (Further MySuper and Transparency Measures) Act 2012 came into effect in 2014 and requires the trustees of regulated superannuation funds, schemes or trusts to make certain 'fund documents' publicly available for download for each fund administered by the trustee on the trustee's website.*

*This enactment added Section 29QB to the Superannuation Industry (Supervision) Act 1993.*

*The document or documents I seek are a or copies copy of any 'Class Order' or Class Orders' Issued by ASIC that extended the compliance date beyond 2014*

*This FOI request does not relate to Section 29QC'*

As your request was received by ASIC on 30 August 2020 and the 30-day statutory period for processing the request commenced on the day after the date of receipt, you should therefore expect a decision to be made by 29 September 2020.

The 30-day processing period may be extended should ASIC find it is necessary to consult third parties, where a charge is to be imposed on the processing of the request or for other reasons. You will be advised if there are changes to the 30-day processing period.

Please note that any documents released to you under the FOI Act may later be published online on the ASIC disclosure log in accordance with our obligation to do so under the Act. This requirement to publish released documents is subject to certain exceptions for example, personal or business information will not be published where it would be unreasonable.

If you have any questions or wish to discuss, please contact me on [Jessica.Zhang@asic.gov.au](mailto:Jessica.Zhang@asic.gov.au) or (03) 9280 4156.

Yours sincerely,

**Jessica Zhang**
