

Internal review decision

- Applicant:** Phillip Sweeney
- Decision-maker:** Ben (person number 2355), an authorised officer of the Australian Prudential Regulation Authority (APRA) for the purposes of section 23(1) of the *Freedom of Information Act 1982* ('FOI Act').
- FOI reference:** FOI 21 – 15
- Decision:** Affirm the original decision to refuse access to the relevant documents.

Summary

1. On 2 September 2020 you made the following FOI request:

“Following the findings of the Hayne Royal Commission, APRA issued directions and imposed additional registrable entity licence conditions on NULIS Nominees (Australia) Ltd.

The first document I seek is a copy of the document (or documents) that contains these directions and additional licence conditions on NULIS Nominees (Australia) Ltd.

I also seek a copy of any correspondence from NULIS to APRA agreeing to the directions and licence conditions and providing guidance on an implementation timeline.”

(‘the original FOI request’)

2. On 30 September 2020 APRA made the decision to refuse access to nine documents on the basis of section 38 of the FOI Act (‘the original FOI decision’).
3. On 30 September 2020 APRA received your email request for an internal review of the original FOI decision (‘the internal review application’).

Material taken into account

4. I relied on the following evidence and material in making my decision:
 - a) the original FOI request dated 2 September 2020;
 - b) acknowledgment of FOI request from FOI Officer to the Applicant dated 2 September 2020;
 - c) email correspondence between APRA staff between 16 September – 30 September 2020;
 - d) the original FOI decision;
 - e) the internal review application;

- f) memorandum from FOI Officer dated 26 October 2020;
- g) relevant sections of the FOI Act; and
- h) guidelines issued by the Office of the Australian Information Commissioner to date (FOI Guidelines).

Reasons

5. I reproduce relevant paragraphs of the original FOI decision:

*“APRA has conducted all reasonable searches of its records and identified nine documents relevant to your FOI request (**relevant documents**).*

I have decided to refuse access to the relevant documents under section 38 of the FOI Act and section 56 of the APRA Act. My reasons for the refusal are as follows:

Secrecy Provisions

I have taken the following approach in apply section 38 of the FOI Act and section 56 of the APRA Act:

a. under section 38 of the FOI Act, a document is exempt if disclosure is prohibited under a provision of an enactment and section 38 expressly applies to that provision;

b. subsection 56(11) of the APRA Act expressly applies section 38 of the FOI Act so that any document that is a ‘protected document’ or contains ‘protected information’ within the meaning of subsection 56(1) of the APRA Act is also an exempt document under section 38 of the FOI Act;

c. under subsection 56(2) of the APRA Act it is an offence to directly or indirectly disclose protected documents and/or protected information unless a specified exemption applies. This offence provision is binding on me as an APRA staff member. The offence is punishable by up to two years imprisonment;

d. a ‘protected document’ is defined in subsection 56(1) of the APRA Act to include documents given or produced under or for the purposes of a prudential regulation framework law, and containing information relating to the affairs of a financial sector entity. The Superannuation Industry (Supervision) Act 1993 is a prudential regulation framework law. The relevant documents were given or produced and disclosed or obtained under, or for the purposes of, this prudential regulation framework law. Therefore, the documents are protected documents unless otherwise publicly available;

e. ‘protected information’ is defined in subsection 56(1) of the APRA Act to include information disclosed or obtained under or for the purposes of a prudential regulation framework law, and relating to the affairs of a financial sector entity. For the same reasons set out in paragraph (iv) above, information contained in the documents is protected, unless otherwise publicly available. The information in the documents is protected information, unless they are otherwise publicly available; and;

f. the information and the documents are not otherwise publicly available.

6. The following statements were made in support of the internal review application:
- a) *“It is a matter of public interest as to what are the additional licence conditions imposed by APRA on a trustee who has been found guilty of failing to act honestly.”*
 - b) *“APRA must give regulatory approval for the sale of MLC Ltd, the owner of NULIS, to IOOF Holdings Ltd. How can members of the public and other “gatekeepers” alert APRA to an alleged contravention of any of the additional licence conditions if these conditions are kept secret? Default licence conditions are not a “secret”.*
 - c) *“APRA cannot claim that some licence conditions are public knowledge (which apply to all trustees – even honest ones), while additional licence conditions that have been imposed on a dishonest trustee following the findings of a Royal Commission are subject to “secrecy provisions”.*
7. I considered your statements, reviewed all relevant documentation and the process that was undertaken by the FOI Officer.
8. The relevant documents have not been lawfully made available to the public from other sources. The relevant documents were given or produced for the purposes of a prudential regulation framework law, namely *the Superannuation Industry (Supervision) Act 1993*. It is clear the relevant documents are protected documents.
9. Subsection 56(11) of the *Australian Prudential Regulation Authority Act 1998* provides a protected document is an exempt document for the purposes of section 38 of the FOI Act. I affirm the original FOI decision to refuse access.
