Dear Mr Ross

**Freedom of Information (FOI) request - Access Decision**

On 11 September 2020, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

**1 Scope of request**

You have requested access to the following documents:

*Please provide the daily program, attendee list and training and workshop materials distributed for the Sri Lanka-Australia Joint Working Group on People Smuggling and Other Transnational Crime's workshop on people smuggling and international crime cooperation. This training session was conducted for 39 Sri Lankan magistrates from 31 May to 2 June 2013 in Negombo, Sri Lanka.*

**2 Authority to make decision**

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

**3 Relevant material**

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from departmental officers with responsibility for matters relating to the documents to which you sought access.

#### **4 Documents in scope of request**

The Department, including the Department's post in Sri Lanka, has undertaken reasonable searches in relation to the documents you have requested access to.

In summary, the searches undertaken by the relevant business areas in relation to your request included extensive searches of their record-keeping systems.

Having regard to your request and the types of documents that may fall within the scope of your request, I am satisfied that the searches conducted were extremely thorough and all reasonable steps have been taken to locate any document relevant to your request in the possession of the Department.

I can advise that that it appears that the program you refer to was run by the Attorney-General's Department. You may wish to contact the Attorney-General's Department in regard to this matter.

#### **5 Decision**

Section 24A of the FOI Act provides that the Department may refuse a request for access to a document if all reasonable steps have been taken to find the document and the Department is satisfied that the document does not exist.

I am satisfied that the Department has undertaken reasonable searches in relation to your request and that no documents were in the possession of the Department on 11 September 2020 when your FOI request was received. As such, I am refusing your request based on the application of section 24A of the FOI Act.
