8	Brief Details of Incident?	<p>[REDACTED] and [REDACTED] attended the CFMEU office located at 540 Elizabeth Street for the purposes of serving a Notice of Filing and Statement of Claim in the matter [REDACTED]. At approximately 12.00pm, [REDACTED] approached the customer counter and was served by a female, produced and displayed Inspector identification, explained the purpose of the documents and left on the counter. The female refused to provide her name when requested. CFMEU Organiser [REDACTED] was seated behind the female and was in conversation with a male whom I have not seen before.</p> <p>[REDACTED] approached the counter and looked over the females shoulder at the documents, [REDACTED] and [REDACTED] turned and left the premises to walk to our vehicle parked on Elizabeth Street kerbside parking. The parking space was approximately 20-30 meters to the north from the CFMEU office. When [REDACTED] and [REDACTED] got to the vehicle, [REDACTED] opened the passenger side door when we noticed the male that [REDACTED] was speaking to had followed us out and threw the served documents through the car door with some landing on the pavement. The male said words to the effect of "They need to be served on the person". The male walked back to the CFMEU office and I noticed [REDACTED] standing out the front of the building. The unknown male then used his phone to record images/video of [REDACTED] and [REDACTED] even as the car left and was stopped at lights at the corner of Elizabeth Street and Victoria Street. We turned left onto Victoria Street and did not see the unknown male again.</p>
