FOI Request: FA 20/10/00858

File Number: OBJ2020/32485

Dear Mr Bacon

**Freedom of Information (FOI) request - Access Decision**

On 17 October 2020, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

**1 Scope of request**

You have requested access to the following documents:

*A document that contains a description of the process by which names of vessels intercepted by the Australian Border Force are produced. To help clarify what I mean, the description might explain that the names of vessels were told to the ABF by their captains, or that some kind of sequential naming system is used to generate names by the ABF.*

**2 Authority to make decision**

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

**3 Relevant material**

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)

#### 4 Documents in scope of request

The Department has undertaken reasonable searches in relation to the documents you have requested access to.

The Department does not hold any documentation that describes the process by which names of vessels intercepted by the Australian Border Force are produced.

Having regard to your request and the types of documents that may fall within the scope of your request I am satisfied that the searches conducted were extremely thorough and all reasonable steps have been taken to locate any document relevant to your request.

#### 5 Decision

Section 24A of the FOI Act provides that the Department may refuse a request for access to a document if all reasonable steps have been taken to find the document and the Department is satisfied that the document does not exist.

I am satisfied that the Department has undertaken reasonable searches in relation to your request and that no documents were in the possession of the Department on 17 October 2020 when your FOI request was received. As such, I am refusing your request based on the application of section 24A of the FOI Act.
