FOI Request: FA 21/02/00648

File Number: OBJ2021/5766

Dear Ms Coddington

**Freedom of Information (FOI) request - Access Decision**

On 9 February 2021, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

**1 Scope of request**

You have requested access to the following documents:

*I am requesting any statements of requirements for counter people smuggling communications campaigns deployed in Australia or overseas between years 2014 and 2016.*

**2 Authority to make decision**

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

**3 Relevant material**

In reaching my decision I referred to the following:

- the terms of your request
- the documents relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

#### **4 Documents in scope of request**

The Department has identified five documents as falling within the scope of your request. These documents were in the possession of the Department on 9 February 2021 when your request was received.

#### **5 Decision**

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is as follows:

- Release five documents in part with deletions

#### **6 Reasons for Decision**

Detailed reasons for my decision are set out below.

My findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

##### **6.1 Section 22 of the FOI Act – irrelevant to request**

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

On 18 February 2021, the Department advised you that its policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request.

I have decided that parts of documents marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request. I have prepared an edited copy of the documents, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the documents have been considered for release to you as they are relevant to your request.

##### **6.2 Section 33 of the FOI Act – Documents affecting National Security, Defence or International Relations**

Section 33(a)(iii) of the FOI Act permits exemption of a document if disclosure of the document would, or could reasonably be expected to cause damage to the international relations of the Commonwealth.

The phrase 'international relations' has been interpreted as meaning the ability of the Australian Government to maintain good working relations with other governments and international organisations and to protect the flow of confidential information between them. The expectation of damage to international relations must be reasonable in all the circumstances, having regard to the nature of the information; the circumstances in which

it was communicated; and the nature and extent of the relationship. There must be real and substantial grounds for the conclusion that are supported by evidence.

I consider that the release of the information marked 's33(a)(iii)' in the document(s) would, or could reasonably be expected to cause damage to the Australian Government's international relations.

I am of the view that the disclosure of all documents in Attachment A could reasonably be expected to inhibit future negotiations between the Australian Government and a foreign government.

As such I have decided that the information redacted and marked 's33(a)(iii)' is exempt from disclosure under section 33(a)(iii) of the FOI Act.
