Attachment A

Statistics relating to applications for review of decisions about protection visas under Part 7 of the Migration Act 1958 dealt with in the Migration and Refugee Division - By members - For applications finalised from 1 January 2015 to 18 May 2020

NB:

Totals do not include applications where a member decided that the decision was not subject to review, the applicant did not have standing to apply for a review or the application was not made within the prescribed time limit.

Represented applicants are those applicants who are recorded as having had representation (legal or non-legal) at any point in time in their review

Decisions under review affirmed include a decision under section 415(2) of the Migration Act to affirm the decision under review and a decision under section 426A(1C)(b) or 426A(1E) of the Migration Act to confirm a decision to dismiss an application on the basis the applicant did not appear before the Tribunal at a hearing.
