

Dear Freedom of Information, Western Australia Police Force;

I am writing [1a] to you to formally lodge the previously requested information under FOI. File Reference Number FOI 2021/0408. The original request is available https://www.righttoknow.org.au/request/authorisation_to_require_a_person#outgoing-14213

For reference the request is copied below

I respectfully request the following information with regards to "Authorisation to Require a Person to Keep Contact Information for a Period Longer than 28 Days Under the Closure and Restriction (Limit the Spread) Directions (No 9)", including any previous and future version of the direction hereafter referred to as "the authorisation"

1. Number of person, locations or organisations subject the authorisation.
2. Whether SafeWA infrastructure or database has ever been subject to the authorisation.
3. The number of times, and general reason records from SafeWA were accessed for reasons other than contact tracing, e.g. criminal, register compliance, training, maintenance and support.

Principally I request the information is provided via the existing email chain which is mirrored https://www.righttoknow.org.au/request/authorisation_to_require_a_person an alternative email address is statutorystarter@airmail.cc for completeness of my requirements under FOI an Australian postal address [1c]:
GPO Box 9994 Sydney NSW 2001

I request [2] electronic information delivered answering this FOI request be supplied via a WA Police disclosure log or alternatively via email.

This request is for non-personal information. Contained within is the \$30 fee payable for the lodgement of the request [1e].

I understand this notice to comply with FOI act requirements section 12. With subsections highlighted with [] references. I do not believe there is any further information required under [1d]. This will be posted [3] and if you are reading this I consider it lodged.

Yours Sincerely,

Paul
