Importance: High

Good morning,

As discussed at Tuesday's meeting, please find attached DRAFT media protocols, talking points and Q&A and a DRAFT joint Ministerial media release (these have not yet been cleared by our CEO).

I have also attached ACC's holding lines for the letters inviting code representatives to a briefing, for your information.

Could you please consider the Q&As (including existing answers, agency specific questions and additional questions) and media release and provide input by **COB tomorrow**?

We will continue to refine the key messages in line with the findings of the unclassified report.

We hope to send through a rough copy of the unclassified report as soon as we can to assist with the scope of questions. Please note, the report may not be available until tomorrow.

Apologies for the short timeframe—we are hoping to have these ready for the Ministerial briefing on Tuesday (noting Monday is a public holiday).

Please contact me if you would like to discuss.

Many thanks,
