#### **5 Decision**

The decision in relation to the document in the possession of the Department which fall within the scope of your request is as follows:

- Release one document in full.

Section 24A of the FOI Act provides that the Department may refuse a request for access to a document if all reasonable steps have been taken to find the document and the Department is satisfied that the document does not exist.

The Department has undertaken reasonable searches for data between 01/07/2020 and 01/04/2021 in part 1 of the scope, however the Department only holds data for the activity month of 31 March 2021 and is therefore unable to produce this data in a discrete form.

The Department has also undertaken reasonable searches for data between 01/07/2020 and 01/04/2021 in relation to part 2 of scope, however the Department only holds data for activity months to 31 March 2021 and is therefore unable to produce this data in a discrete form.

The Department has also undertaken reasonable searches for data between 01/07/2020 and 01/04/2021 in relation to part 3 of scope, however the Department only holds data for activity months to 31 March 2021 and is therefore unable to produce this data in a discrete form.

I am satisfied that the Department has undertaken reasonable searches in relation to your request for documents that contain data in accordance with parts 1, 2, and 3 of scope, but that such data is not available in Departmental systems. As such, I am refusing your request for documents relating to parts 1, 2 and 3 of scope based on the application of section 24A of the FOI Act.
