Hi s47E(d)

s47E(d) invited you to Clearview!

To try it out for free please click the button below:

Try it out for free

What's Clearview?

Clearview is like **Google Search for faces**. Just upload a photo to the app and instantly get results from mug shots, social media, and other publicly available sources.

Our technology combines the **most accurate** facial identification software worldwide with the **single largest** proprietary database of facial images to help you find the suspects you're looking for.

Feel free to reach out to if you have any questions, comments, or feedback. Just reply to this e-mail or contact help@clearview.ai

Best regards,

—Team Clearview

Hi s47B

Thanks for sorting that out. I'm definitely interested in exploring the service and then we can see what the licence issue looks like.

I'll let you know how we go.

Good afternoon Gents,

ACTION: Consolidated background of use of Clearview by ACCCE Teams

DEADLINE: COB Wednesday

Can you please engage your teams and establish the following:

- Are they using Clearview? Since when? How are we using it?
- What validation process was followed to ensure info sec?
- Who approved the use of the software?
- Were TSU (ATT) or T&I engaged prior to using Clearview?
- Are there any other products/software which are being used but have not been cleared for use by TSU or T&I?

Please provide one consolidated email brief in relation to the above.

For clarity there should be no software used without the appropriate clearance for use.

Many thanks and regards

Please find below the consolidated response from the following:

s47E(d)

Noting that the details from s47E(d) are not included due to leave.

Can you please engage your teams and establish the following:

- Are they using Clearview? Since when? How are we using it?
 There is one instance of use, this occurred on either 02 or 03 January 2020. (The date can only be confirmed by logging onto the site)

On 06 December 2019, the team were sent an email on AFP Net inviting us to try out Clearnet resulting in:

- 1 x signed up and used once as detailed below
- 1 x signed up not used
- 1 x signed up – email not verified
- 4 x did not sign up

The circumstance of the use are:

s47E(d)

THIS DOCUMENT HAS BEEN DECLASSIFIED
 AND RELEASED IN ACCORDANCE WITH THE
 FREEDOM OF INFORMATION ACT 1982
 (COMMONWEALTH)
 BY THE AUSTRALIAN FEDERAL POLICE

- What validation process was followed to ensure info sec?
 I do not have any information on this.
- Who approved the use of the software?
 I have very limited information on this. The team were included in an email that was sent by s47E(d) to Supt. s47E(d) on 09 December 2019 regarding Clearview. However I don't know if further emails or discussions had taken place. The email is attached.

- Were TSU (ATT) or T&I engaged prior to using Clearview?
I do not have any information on this.

Are there any other products/software which are being used but have not been cleared for use by TSU or T&I?
No other products/software are currently being used by the members detailed at the beginning of this email.

If you require further information please let me know.

Kind regards

We are writing to let you know that someone has gained unauthorized access to our organization list. They retrieved the following:

- * Organization Names
- * Number of user accounts
- * Number of searches

No passwords or any personally identifiable information of customers were revealed. While some information about test user accounts may have been accessed, no law enforcement search histories, emails, user names, public photos or any biometric data were accessed.

Our servers were not breached, and there was no compromise of Clearview's systems or network.

Most importantly, we have fixed this vulnerability.

We are contacting the authorities about this unauthorized access.

If you have any questions, please feel free to contact us at: help@clearview.ai

Thank you,
