Dear Ms Kingston

**Freedom of Information Request – FOI 13/32**

I refer to your FOI request with the Department of Finance and Deregulation (Finance) our reference FOI13-32.

**Payment of Charges**

Thank you for forwarding a cheque in payment of the charges for this FOI. We will send a receipt to your personal email address when we have completed processing the cheque.

**Extension of Time - Third Party Consultation**

As document/s falling within the scope of your request involve the disclosure of the personal information of a third party, the decision maker is obliged under section 27A of the FOI Act to consult with the third parties and give them an opportunity to make submissions regarding possible disclosure of the document/s. The decision maker must take their views into account in determining whether a document is an exempt document.

To enable time to undertake the consultation process, subsection 15(6) of the FOI Act extends the processing period of your FOI request by an additional 30 days. The new due date for a decision is Sunday 19 May 2013 (which is adjusted to Monday, 20 May 2013).

Please contact Finance on the above contact details if you wish to discuss your request.

Yours sincerely
