Dear Brian Cooper

### **Freedom of Information request — Notification of Decision**

Thank you for your correspondence of 28 May 2021, in which you requested access under the *Freedom of Information Act 1982* (FOI Act) to documents held by the National Disability Insurance Agency (NDIA).

The purpose of this letter is to provide you with a decision on your request.

#### **Scope of your request**

You have requested access to documents about the National Disability Insurance Scheme (NDIS). Specifically, you requested access to:

*“How are participants allocated to the various reporting geographies used by the NDIA in the quarterly reports? What methodology is used and why is this not made public?”*

On 22 June 2021, you agreed to grant the NDIA an additional 30 days to process your request for information, making the new due date for your request 28 July 2021.

#### **Decision on access to documents**

I am authorised to make decisions under the FOI Act. My decision on your request and the reasons for my decision are set out below.

The information you requested was not available in a separate written document at the time of your request. However, we have been able to produce a document containing the information you have requested. I have therefore treated your request as if it were a request for access to this document in accordance with section 17 of the FOI Act.

I have identified one document, which falls within the scope of your request.

The document was identified by conducting searches of NDIA's systems, using all reasonable search terms that could return documents relevant to your request, and consulting with relevant NDIA staff who could be expected to be able to create a document under section 17 of the FOI Act, which would satisfy the scope of your request.

I have decided to grant access to this document in full.

In reaching my decision, I took into account the following materials:

- your correspondence outlining the scope of your request;
- the nature and content of the documents falling within the scope of your request;
- the FOI Act;
- the FOI Guidelines; and
- consultation with relevant NDIA staff.

Delivered by the

National Disability  
Insurance Agency

**Release of documents**

The document for release, as referred to in the Schedule of Documents at **Attachment A**, is enclosed.

**Rights of review**

Your rights to seek a review of my decision, or lodge a complaint, are set out at **Attachment B**.
