Dear Shirley

Freedom of Information Request: Acknowledgement

Thank you for your 2 requests of 13 June 2021 under the *Freedom of Information Act 1982* (FOI Act) for copies of documents held by the National Disability Insurance Agency (NDIA).

Scope of your request

As per section 24(2)(b) of the FOI Act, an agency may treat 2 or more requests as a single request if the subject matter is substantially the same; therefore, we have combined your 2 requests into one request.

The scope of this combined request is:

*“...a copy of all references, citations and all underlying sources of the NDIA’s ‘Insurance Principles’ cited in the NDIA Corporate Plan 2019-2023...
...copies of all the research, analysis, assessment, evaluation, risk methodology and supporting evidence that determined the NDIA’s Strategic risks cited in the NDIA’s 2019-2023 Corporate Plan [1]. That is, all documentation and information that went into the formation and calculation of said ‘strategic risks’...”*

Unless you advise otherwise by 5:00pm 30 June 2021, we will take it that you agree to the names and contact details of NDIA staff being excluded from the scope of your request (that is, the information will be treated as irrelevant).

Processing timeframes

We received your requests on 13 June 2021 and the 30-day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by **13 July 2021**.

The period may be extended if we need to consult with third parties or for other reasons. We will advise you if this happens.

Charges

We may apply a processing charge to your request and will advise you as soon as practicable if a charge is payable.

Disclosure Log

Information released under the FOI Act may be published on the NDIA's disclosure log located on our website, subject to certain exceptions.
