Dear Shirley

Freedom of Information request — Notification of Decision

Thank you for your correspondence of 16 July 2021, in which you requested access under the *Freedom of Information Act 1982* (FOI Act) to documents held by the National Disability Insurance Agency (NDIA).

The purpose of this letter is to provide you with a decision on your request.

Scope of your request

You have requested access to documents about the National Disability Insurance Scheme (NDIS). Specifically, you requested access to:

“Please provide a tally of the total number of times the NDIA have used the specific expression “your request in its current form would substantially and unreasonably divert the resources of the NDIA from its other operations due to its size ” as grounds for failing to process, respond to or refuse FOI requests for the calendar year 2021. That is, from 1 January 2021, until 14 July 2021, how many times has the phrase and reason for not providing FOI information been justified or responded to using the phrase “your request in its current form would substantially and unreasonably divert the resources of the NDIA from its other operations due to its size. ”.

This includes all the times this specific phrase has been used during Senate Estimates and related government oversight or state/commonwealth enquiries, during the same time period.”

Decision on access to documents

I am authorised to make decisions under the FOI Act. My decision on your request and the reasons for my decision are set out below.

The information you requested was not available in a separate written document at the time of your request. However, we have been able to produce a document containing the information you have requested. I have therefore treated your request as if it were a request for access to this document in accordance with section 17 of the FOI Act.

I have identified one document, which falls within the scope of your request.

The document was identified by conducting searches of NDIA’s systems, using all reasonable search terms that could return documents relevant to your request, and consulting with relevant NDIA staff who could be expected to be able to identify documents within the scope of the request.

I have decided to grant access to one document in full.

In reaching my decision, I took into account the following materials:

- your correspondence outlining the scope of your request;
- the nature and content of the documents falling within the scope of your request;
- the FOI Act;
- the FOI Guidelines;
- consultation with relevant NDIA staff; and
- the NDIA's operating environment and functions.

Release of documents

The documents for release, as referred to in the Schedule of Documents at **Attachment A**, are enclosed.

Rights of review

Your rights to seek a review of my decision, or lodge a complaint, are set out at **Attachment B**.

Yours sincerely
