Mr Mark Newton

Dear Mr Newton

Freedom of Information Request No. 34-1213

I refer to my letter of 15 May 2013 in relation to your revised request for access under the *Freedom of Information Act 1982* (FOI Act) to contract documents pertaining to development of the Cyber Safety Help Button.

In that letter you were advised that the authorised decision-maker had decided that you were liable to pay a charge in respect of processing your revised request, and that payment of a deposit of \$106.96 was required for processing to proceed. You were advised that you had until 14 June 2013 to notify the Department of your intentions regarding these charges, and that if you were dissatisfied with the charges decision you were entitled to seek either internal review or review by the Information Commissioner.

As more than 30 days has now elapsed since this decision was issued and you have not notified the Department of your intentions, you are advised that your request is taken to be withdrawn. No further processing action will be undertaken by the Department.

Yours sincerely
