Hi David

Sorry I was away, grabbed two weeks annual leave while the opportunity looked possible.

Yes, I think it is worth letting us know of any resignations to make sure we don't ring those people as part of our test of membership. I thought that might have been finished by the time I got back to work yesterday, but instead I think it is to start this week.

So, by all means let us know of any resignations.

Shawn,  
Since submitting our application we have had about 18 resignations. I think some people must be afraid of the AEC.  
Is there any merit in advising you of their names?

Shawn,  
Great. Thanks for letting me know. I never completely trust Australia Post.  
We intend to notify our members that they may be called by you. Is it  
possible to get advance warning of when that might occur? We are conscious  
of the fact that some of them have quite a short attention span.

David Leyonhjelm
