

Questions:

Visa applications Granted for subclass 189 (points tested) by activity month for financial years 2019/2020 and 2020/2021 for ANZSCO 233311 (Electrical Engineer).

Caveats:

- This information is provided for the specific purpose of this request. Any other use of the information provided will require consideration and clearance by Data Division, and a separate request should be made to s. 22(1)(a)(ii)
- It is the responsibility of the area providing Department of Home Affairs information to external stakeholders to ensure that the disclosure is in accordance with the ABF Act, Australian Privacy Principles or other relevant legislation.
- With regards to Immigration data, the Department’s current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.
- 2021-22 figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.

Notes:

Source: Department of Home Affairs, 2021 (internal documents).

Note: Includes both primary and secondary applicants.

Note: Months that do not have relevant data have been excluded from this response.

Response:

Note: Months that do not have relevant data have been excluded from this response.
