Dear Malcom

## Freedom of Information request — Notification of Decision

Thank you for your correspondence of 8 February 2022, in which you requested access under the Freedom of Information Act 1982 (FOI Act) to documents held by the National Disability Insurance Agency (NDIA).

The purpose of this letter is to provide you with a decision on your request.

### Scope of your request

You have requested information about the National Disability Insurance Scheme (NDIS). Specifically, you requested access to:

*“.. Are there any lawyers working or seconded to the NDIA's Risk Department or providing routine/regular advice to the NDIS' risk department, branch or function? If so, how many lawyers have been working in the risk department over the past 4 years at the NDIA? ...”*

### Decision on access to documents

I am authorised to make decisions under section 23(1) of the FOI Act. My decision on your request and the reasons for my decision are set out below.

I have decided to refuse your request for access under section 24A of the FOI Act on the basis that all reasonable steps have been taken to locate the documents you have requested and I am satisfied that they do not exist.

In reaching my decision, I took into account:

- your correspondence outlining the particulars of your request
- the FOI Act
- the FOI Guidelines published under section 93A of the FOI Act
- consultation with relevant officers of the NDIA.

### Reasons for decision

#### Refuse a request for access (section 24A)

Section 24A of the FOI Act provides that an agency may refuse a request for access to a document if all reasonable steps have been taken to find the document and the agency is satisfied that the document cannot be found or does not exist.

I have conducted enquiries with NDIA staff that have revealed that the NDIA is not in possession of documents matching the scope of your request. This is because the Risk Advisory Branch seeks legal advice from the Agency's Legal Services Branch as required. As such, there have been no staff engaged in Risk Advisory Branch to provide legal advice in the last four years.

I am satisfied that all reasonable steps have been taken to locate the documents you have requested and that the documents do not exist. I have therefore decided to refuse access to your request in accordance with section 24A(1)(b)(ii) of the FOI Act.

**Rights of review**

Your rights to seek a review of my decision, or lodge a complaint, are set out at **Attachment A**.

Should you have any enquiries concerning this matter, please do not hesitate to contact me by email at [foi@ndis.gov.au](mailto:foi@ndis.gov.au).

Yours sincerely
