FOI Request: FA 22/03/00381

File Number: OBJ2022/5403

Dear Alexander

Freedom of Information (FOI) request - Access Decision

On 4 March 2022, the Department of Home Affairs (the Department) received a request for access to document under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following document:

On your website at <https://www.homeaffairs.gov.au/research-and-statistics/statistics/visa-statistics/live/humanitarian-program> there are no links to the "Asylum Statistics" report after June Quarter 2014. I am requesting all Asylum Statistics reports, or documents containing the equivalent level of information, for each quarter from September Quarter 2014 to present.

On your website at <https://www.homeaffairs.gov.au/research-and-statistics/statistics/visa-statistics/live/humanitarian-program> there are no links to the "Asylum Trends" report after 2012-2013. I am requesting all Asylum Trends reports, or documents containing the equivalent level of information, for each quarter from 2013-2014 to 2020-2021.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access document or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the document relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the document to which you sought access

4 Document in scope of request

The Department has identified one document as falling within the scope of your request. This document was in the possession of the Department on 4 March 2022 when your request was received.

5 Decision

The decision in relation to the document in the possession of the Department which falls within the scope of your request is as follows:

- Exempt one document in full from disclosure

6 Reasons for Decision

Detailed reasons for my decision are set out below.

My findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

6.1 Section 4 of the FOI Act – document for the purpose of the FOI Act

Section 4 provides that a document for the purpose of the FOI Act does not include:

- (d) *material maintained for reference purposes that is otherwise publically available.*

The reports outlined in your request are archived and remain accessible online for historical context. They have not been produced by the Department since the dates mentioned.

Since that time, those reports have been replaced with updated monthly processing reporting products in line with amended application processing requirements. The department has done what it can to deliver similar information to stakeholders on a regular basis. Please find below links to the most recently published current reporting products, with earlier products available at [humanitarian program statistics \(homeaffairs.gov.au\)](https://www.homeaffairs.gov.au/humanitarian-program-statistics)

<https://www.homeaffairs.gov.au/research-and-stats/files/ima-legacy-caseload-january-2022.pdf>

<https://www.homeaffairs.gov.au/research-and-stats/files/monthly-update-onshore-protection-866-visa-processing-january-2022.pdf>

<https://www.homeaffairs.gov.au/research-and-stats/files/ohp-june-21.pdf>

I therefore find that the document which is in scope for this request is not a document for the purpose of the FOI Act.

7 Legislation

A copy of the FOI Act is available at <https://www.legislation.gov.au/Series/C2004A02562>. If you are unable to access the legislation through this website, please contact our office for a copy.
