Dear JR

Please see below a follow-up inquiry from [REDACTED] s 47F (received today) requesting a response to his letter of 1 August 2021 (attached) responding to your letter of 28 July 2021 advising that PM&C were considering having him declared a vexatious applicant.

Thanks [REDACTED] s 22(1)(a)(ii)

Dear FOI,

On 28 July 2021, your department served me with a notice of intent to consider vexation declaration proceedings with the Information Commissioner.

On 1 August 2021, I refuted Mr Reid's unsubstantiated allegation and implications. I noted a number very significant errors in your department's administrative decision-making relating to the HOSM. Relevantly I respectfully asked your department to acknowledge and inform Government of a number of procedural fairness breaches and errors in HOSM assessments.

Please confirm receipt of my rebuttal and issue the response letter when ready.

Thank you for your time.

Kind regards

s 47F
