Dear Mr Palmer

Re: Freedom of Information Request

I refer to your current request for access under the *Freedom of Information Act 1982* (the FOI Act) to:

All communications sent to or from the Australian Embassy in Saudi Arabia, discussing or mentioning the killing of any Australian citizen by a US Unmanned Aerial (sic) Vehicle (Drone) in Yemen; excluding drafts, duplicate documents, and the personal information of the individuals concerned.

Further to email correspondence clarifying the terms of your request, we have identified three relevant documents within scope. These documents contain at least some material which is not an individual's personal information.

The next step is to consider the application of section 29 of the FOI Act, which concerns the charge, if any, for processing your request. I am authorised under section 23 of the FOI Act to make decisions on the charge for processing your request.

Based on eight relevant pages, processing time and time taken by the Decision Maker to assess your request (noting that the first five hours are free of charge), our preliminary assessment of the amount of that charge is **\$30.00**. Please note that at this stage in the FOI process, no decision has been made as to whether the information you seek will be released or exempt under the provisions of the FOI Act. My decision relates only to the processing charges.

Now that we have given you written notice of our preliminary assessment of the amount of the charge for processing your request, section 29 provides that you have 30 days within which to:

- agree to pay the charge;
- contend that the charge has been wrongly assessed, or should be reduced or not imposed; or
- withdraw your request.

You can make your payment by cheque or money order made payable to 'The National Cashier – DFAT'; by credit card (an authorisation form to arrange payment of the application fee by Visa/Mastercard) is attached; or by Direct Debit – details below.

Should you contend that the charge has been wrongly assessed or should not be imposed, you will now need to apply for the Department to waive the charge. A departmental decision-maker will then make a decision on whether the charge should be imposed, and in what amount. The decision will take account of any contentions you may make. The Department may waive or reduce the charge for any reason, including where:

- the payment of the fee or a part of the fee would cause you financial hardship; or
- the giving of access to documents relevant to your request is in the general public interest or in the interest of a substantial section of the public.

Please note that the onus to demonstrate that charges should be reduced or waived on these or other grounds is on you as the applicant.

Section 31 of the FOI Act provides that the 30 day period within which we should process your request is suspended until we receive your payment of the deposit for the charge for processing your request, or we decide not to impose a charge. Should you withdraw your request at this stage, no charge will be imposed.

If we do not receive your response to this letter within 30 days of its receipt, I will consider that you no longer wish to continue with your request, and I will deem it withdrawn.

Yours sincerely

Indra McCormick
