FOI Request: FA 22/05/00725

File Number: OBJ2022/12178

Dear LC

**Freedom of Information (FOI) request – Access Decision**

On 16 May 2022, the Department of Home Affairs (the Department) received a request for access to a document under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

**1 Scope of request**

You have requested access to the following document:

*Would you please help share last 12 month information for Woollahra, NSW council regarding to...*

*For each month...*

*# of citizenship application submitted*

*# of citizenship application approved*

*Avg waiting time from submission to approve*

*Avg waiting time from approve to pledge*

**2 Authority to make decision**

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

### **3 Relevant material**

In reaching my decision I referred to the following:

- the terms of your request
- the document relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from departmental officers with responsibility for matters relating to the document to which you sought access.

### **4 Document in scope of request**

In accordance with section 17 of the FOI Act, the Department has used its computer system to produce one document that contains information that falls within the scope of your request. The data produced in the document existed in the possession of the Department on 16 May 2022 when your FOI request was received.

### **5 Decision**

The decision in relation to the document in the possession of the Department which falls within the scope of your request is as follows:

- Release one document in part with deletions

### **6 Reasons for Decision**

Detailed reasons for my decision are set out below.

My findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

#### **6.1 Section 22 of the FOI Act – irrelevant to request**

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

Your request is for data for months, it does not seek cumulative total figures. I have decided that parts of document marked 's22(1)(a)(ii)' would disclose information, namely certain cumulative total figures, that could reasonably be regarded as irrelevant to your request. I have prepared an edited copy of the document, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the document has been released to you as it is relevant to your request.

### **7 Legislation**

A copy of the FOI Act is available at <https://www.legislation.gov.au/Series/C2004A02562>. If you are unable to access the legislation through this website, please contact our office for a copy.

## 8 Final decision on charge

### Amount already paid

On 16 June 2022, the Department received your payment of \$45.00 - the total charge indicated in the preliminary charges notice issued by the Department.
